Thursday, 17th Nov 2011, 10.00 am – 4.00 pm, lunch/refreshments included

St Lawrence Parish Room, Colebrook St, SO23 9LH

This one-day workshop will explore Hitchcock's 50 year film career through the viewing of many 'pieces of cake' from his 53 films. On this journey we will look through seven phases of Hitchcock for recurring themes, technical innovations, icy blondes and intriguing cameos. We will also consider whether he was much a master of romance as he was of suspense.
